*DETAILED ACTION*

*Election*

1. Applicant's election of Group I, Claims 5-15 and 27 with traverse is acknowledged.

*Claim Objections*

2. Claim 5 is objected to because of the following informalities: the word Internet must be capitalized "Internet". Appropriate correction is required.

*Claim Rejections - 35 USC § 112*

3. The following is a quotation of the second paragraph of 35 U.S.C. 112:  
  
The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.
4. Claims 5-15 and 27 recites the limitation "said an internet site", at line 8.  
  
There is insufficient antecedent basis for this limitation in the claim.

**Claim Rejections - 35 USC § 102**

5. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

Art Unit: 3628

A person shall be entitled to a patent unless --

(e) the invention was described in (1) an application for patent, published under section 122(b), by another filed in the United States before the invention by the applicant for patent or (2) a patent granted on an application for patent by another filed in the United States before the invention by the applicant for patent, except that an international application filed under the treaty defined in section 351(a) shall have the effects for purposes of this subsection of an application filed in the United States only if the international application designated the United States and was published under Article 21(2) of such treaty in the English language.

6. Claims 5-15 and 27 are rejected under 35 U.S.C. 102(e) as being anticipated by Shkedy (US 6,260,024)

Shkedy discloses:

A method of purchasing a money order from a money order system having the steps of :  
awarding a bid to a buyer for goods to be purchased from a seller from an auction process conducted between said buyer and seller via the Internet on an Internet auction site (col.6, lines 29-63);

contacting said Internet auction site for said money order system (299) by said buyer with a computing device after said bid is awarded to said buyer by the Internet auction site (245; col.18, line 37-col.19, line 56).

transmitting information to the money order system via the Internet to purchase the money order for the sales of good won during the auction process with the Internet auction site, the information including at least said buyer's identification, an identification of said seller and a
